City: Providence
Application Number: FY2015-16985 **Grant:** \$6,000.00

Description:

To explore the effects of medium-scale, inhabitable "Urban Chapels" on the city of Providence. Spatial interventions offer areas for serenity, respite, and reflection - and while Providence has a wealth of smaller public art projects, it lacks these sorts of larger structures. In the past, we've been involved in the design and construction of several larger installations around the city, and have been fascinated with their immediate effects on their sites. We plan to develop a method for the continuing investigation of public installation architecture in Providence, through a cycle of research, design, construction, and reflection. The DIG will help us fund materials and cover associated costs for two initial Urban Chapels, which we will design and construct using contemporary, digital fabrication techniques.
