## Shouldn't *all* Rhode Islanders have access to the arts?

The arts are more than just an important part of our state's economy.

For young people, they are a path to success.

For cities and towns, they promote civic engagement and neighborhood revitalization.

**They make our communities more liveable.**

With all that's good about the arts, shouldn't *all* Rhode Islanders be able to enjoy & participate?

Let's ensure that *all* Rhode Islanders can benefit from the arts in the Ocean State.

**Support the Arts!**
