

Shouldn't *all* Rhode Islanders have access to the arts?

The arts are more than just an important part of our state's economy.

For young people, the arts are a path to success. For cities and towns, the arts promote civic engagement and neighborhood revitalization. They make our communities more liveable.

With all that's good about the arts, shouldn't *all* Rhode Islanders be able to enjoy and participate?

Let's ensure that *all* Rhode Islanders can benefit from the arts in the Ocean State.
