**ASSURANCES**

I understand and agree to the conditions and stipulations included in the "Call for Artists," which I have reviewed and which are found at <http://www.arts.ri.gov/scenes>, including the right of the Governor or his designee to reproduce and distribute images of selected works, as described in the referenced materials for a period of 18 months from the date of this submission. The artworks that I submit are original works of art, created by me, that have not been reproduced or distributed for public purchase or use. If I am selected as a first prize winner, I further agree not to reproduce for sale or distribution any image of the selected work from the time of its selection until January 30, 2007 without permission of the Governor or his designee. I understand that the purpose of this limited restriction is to maximize the value of copies of the selected artwork to the charitable organizations to which they are donated. I understand that the Rhode Island State Council on the Arts is not responsible for damage or loss of materials submitted to its office, whether or not such damage or loss is caused by negligence of the Rhode Island State Council on the Arts, its employees or agents. All slides I have submitted are duplications of works, and not originals or single editions of works. If any of the above works are chosen for the Scenes of Rhode Island exhibit, I will supply a framed, ready to hang original of the selected artwork during the designated drop-off period.
